MISSION 1

Upload a **lesson** on the Microsoft Educator Community (MEC). Encourage other teachers to vote for your lesson on the MEC.

MISSION 3

Host an *Hour of Code* session for learners at your school. between 4 to 8 December 2018.

MISSION **BREAKDOWN** - FOLLOW THESE STEPS TO MAKE SURE YOU ARE ELIGIBLE

MISSION 1

Upload a lesson on the Microsoft Educator Community anytime from today until 16 November 2018. Encourage the community to view and vote for your lesson until 16 November 2018.

Promote the link to your lesson among your colleagues, on social media and teacher networks.

Encourage teachers to view and vote  for your lesson on the Microsoft Educator Community.

Tweet the link to your lesson and tag @MicrosoftEduSA, using the #whatsnewinEDU hashtag.

MISSION 2

Participate in the global Microsoft *Skype-a-thon* on 7th & 8th November with a classroom in South Africa or from around the world. Dates for the Skype-a-thon may change – please check the Microsoft Educator Community for updates.

Tweet at least three photos of your "Skype-a-thon" in action and tag @MicrosoftEduSA, using the #whatsnewinEDU hashtag.

Please note that learners names & faces **should not** be in the photo – we just need to see proof that you have hosted a "Skype in the Classroom".

MISSION 3

Host an *Hour of Code* session for learners at your school between 4th to 8th December.

Tweet at least three photos of your "Hour of code" in action and tag @MicrosoftEduSA, using the #whatsnewinEDU hashtag.

Please note that learners names & faces should not be in the photo – we just need to see proof that they are completing the programme.

BONUS MISSIONS – BOOST YOUR CHANCES!
